Any person eligible for admission to college classes may enroll at rate of \$5.00 per semester hour, plus \$3.00 Union fee, \$1.00 textbook rental per course, \$4.00 book deposit, and may purchase a student activity ticket at prevailing rates.

Regular fees have not been changed. Other business conducted was routine in nature.

AAUP Has Coffee Hour And Panel Discussion

The American Association of University Professors held its regular meeting in the Lake View Room of the Union building Monday, November 9, at 4:00 for a coffee hour and panel discussion.

The panel discussion was given by a committee headed by Dr. J. Gordon Strong, chemistry department. Dr. Irene M. Mueller, biology, and Mr. John S. Taylor, social science, reported the results of a study they had made on matters of interest to the members. An open group discussion followed.

Student Visits United Nations Headquarters in New York City

"After personally hearing Vishinsky and Malik blast American ideals, I thank God more fervently than ever before that I do not live under Communist oppression," says Terry Bullock, who recently returned from attending the United Nations seminar for college students. The seminar was sponsored by the Student YMCA and YWCA and was held over the week-end of November 13-15.

Terry went by bus to Lincoln, Nebraska, where he boarded a chartered bus that carried the group of three men and twenty-five women to the seminar. Arriving in New York, Terry had the privilege of staying in the Hotel Diplomat, located in the heart of Manhattan.

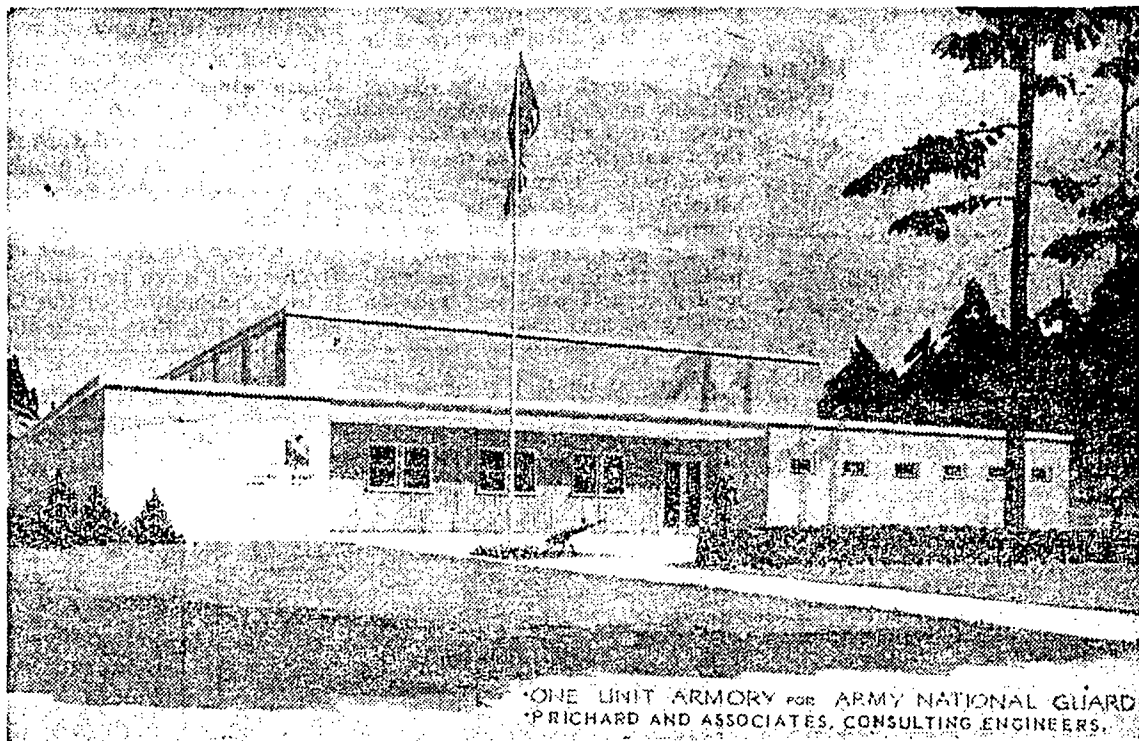

"As I see it," he said, "the Russian delegates denounced America for these three things: promoting the cold war, blocking armistice negotiations in Korea, and the U. S. stand on disarmament and atomic control."

Other sessions which Terry attended included a discussion of Palestine problems by the Syrian delegate, Dr. Zeineddin, and the Israeli delegate, Arthur Liveran; a discussion of the Trieste question by the Yugoslav delegate, Mr. Nincic; and an address by Dr. Solomon Arnaldo entitled "The Work of UNESCO."

On Sunday morning Mr. M. M. Thomas, leader of the Student Christian movement in India, concluded the seminar by speaking on the subject, "Christians in the World Struggle."

Terry's concluding remark was, "Although the cost was great, I shall never forget this experience. Anyone would profit from a visit to the U. N. headquarters."

Proposed New National Guard Armory

Maryville's new National Guard Armory will look like the above architect's drawing, according to William Prichard, consulting engineer. Staking out of the proposed site on the northwest corner of the Northwest Missouri State College campus has already been accomplished. According to the consulting engineer, the type to be built here is the first of its kind in the nation. Construction will take some 200 days.

James Johnson Speaks at Meeting in Bedford

Mr. James Johnson was guest speaker at the second county teachers meeting of the year held at the courtroom in Bedford on November 17.

Mr. Johnson dealt with problems and materials of "Children's Literature" for lower and upper grades. The final portion of the program was used to explain and set up a continuation of the "Mental Maturity Testing Program."

Construction of National Guard Armory Is Begun

Ground was officially broken on November 13 for construction of the new \$179,245 National Guard Armory which is to be built on the northwest corner of the College campus, just north of the present National Guard vehicle building.

According to William Prichard, consulting engineer, the new armory will be the first of its kind in the nation.

Under the contract the work must be completed in 200 days from the start of the construction.

Bennett Construction company, Kansas City was awarded the contract for the local armory; St. Louis Distributing company, St. Louis, the heating contract; R. E. Holt, Maryville, electrical; and U. S. Engineering company, Kansas City, plumbing.

From the College, Dr. J. W. Jones, president; Mr. Lon Wilson, dean of men; and Mr. Everett Brown, director of field service, were present and took part in the ground breaking ceremony.

Mr. Brown Receives Honor
Mr. Everett W. Brown, director of Field Services, was recently elected second vice-president of the Missouri State Teachers Association for the year of 1953-54 at a convention of the Association in St. Louis.

December 2-4, Marine officers will interview students at the Gymnasium.

Dr. W. A. Brandenburg Receives State Honor

Dr. W. A. Brandenburg, dean of faculty of the College, was elected to the Executive Committee of the Division of Higher Education of the Missouri State Teachers Association during the teachers conventions in St. Louis last week.

Public and private junior colleges, senior colleges, and universities of the state are eligible for membership in the Division of Higher Education. Members of the board serve in an advisory capacity in planning the sectional meeting at the annual convention, and are charged with leadership in bringing common problems to the attention of all institutions of higher learning in the state.

George MacLellan Thinks

It's Fun to Hunt Big Game In Heart of Belgian Congo

George MacLellan, a graduate of the College, has again responded to the call of adventure. The new expedition, for the purpose of hunting mammals, has led him into the heart of Belgian Congo.

In a letter written to Mr. Lon Wilson, dean of men, George reported that 74 large specimens had been obtained in southwest Africa and that he could boast of having captured his first lion and leopard.

Hunting the large game has been thrilling to George and seeing the animals in their natural habitat has proved to be most interesting.

Fishing for crocodiles was less successful, says George; however, he did catch a tiger mouth fish in a river near Angola.

Having seen Victoria Falls, George stated that they are everything one could imagine them to be.

George received his B. S. degree in secondary education in 1953 with a major in physical education and a minor in speech. When he was on the campus last year, George had just returned from an expedition to Afghanistan.

Sadie Hawkins Has a Chance

Dance December 4 To Be Highlight of Week

Once again, on Friday night, December 4, a gala costume dance will climax the annual Sadie Hawkins week. The affair will be held in the main lounge of the Union from 8 p.m. until 11:30 p.m.

Prizes will be awarded to the person with the longest feet, to the best-dressed man, woman, and couple, and to the persons most resembling Daisy Mae and Li'l Abner.

Melva Heits will arrange for chaperones for the dance; Bob Pumphrey will handle the advertising; John Lindell and Rick Tilton are in charge of music; and Veldeva Cochran is responsible for the prizes.

During the entire week preceding the dance, the girls are given an opportunity to ask for dates, and it is customary for them to finance an evening's plans.

This event is only one of the numerous activities which have been scheduled by the Student Senate Social Committee for the enjoyment of the student body of the College on Friday and Saturday nights.

Highlighting the agenda for December will be the annual Christmas Ball, which will be held Saturday night, December 12.

For the past three Friday nights, full length movies have been shown in the main lounge of the Union.

Three students from the senior class and two from each of the other three classes constitute the Social Committee. One of the three senior members is selected to serve as chairman of the group.

A portion of the student activity fee goes for the support of the committee; however, most of the events are self supporting. An attempt is made to return a larger sum to the fund than is drawn out.

Composing the social committee this year are Veldeva Cochran and Rick Tilton, sophomores; Louise (Continued on Page Four)

More Than 800 Attend Assembly to See "The Tavern"

An audience of more than 800 persons saw the drama and speech department of the College present the comedy-mystery melodrama, "The Tavern," last Wednesday at the 10 o'clock assembly. The play was repeated that afternoon for high school students of the district and again on Thursday night for the public.

Bob Wilson and John Lee Thompson played leading parts. Bob, who has become a popular actor on this campus, was the vagabond who had escaped from an institution but was all right "except on the subject of the drama." John Lee, who also is not new to the stage of the College, was Willum, the hired man, who was always inquiring in his half-witted manner "What is happening around here

anyway?"

Bob pleased his audience most by his complete mastery of his character—not a line muffed, not a cue missed. Though according to the Governor's daughter he was the "quaintest man," he was the "hero" and was in control of the dramatic situation at the tavern from the time he appeared at the beginning of the play until the end when with a "grandiloquent sweep" of his cloak, he made his way out into the "glorious" storm, still free.

John Lee's best work was in the second act when he scolded the tavern keeper, played by Reid Anderson, for sending him out on such a wild night to search for the sheriff.

"It was cruel sending me on a trip like that—cruelty to animals. The horse will never forgive you,"

he said plaintively. John Lee, always in character, was received with much enthusiasm by the audience.

Reid Anderson, who has just returned to the campus as a veteran, played a strong role as the keeper of the lonely tavern where just after midnight the mysterious vagabond, a woman, and the state governor and his family, who had been held up a short distance away, sought shelter.

Richard Oakerson, cast as Governor Lampson; Leona Hall, appearing as Mrs. Lampson; Carole Kay Trotter, the daughter; and Charles Hagee, the fiancé, were real in their lines and added much to the success of the play. Lampson's capture of the sheriff, identified by the women as the one who had robbed them, was one of the most

entertaining moments.

Rosa Lea Elvins, as the woman; Colleen Beggs, as the hired girl; and Elbert Blair, as the tavern keeper's son, were better than their lines would indicate. Rosa Lea fainted at the right times, and Colleen and Elbert found the crashing thunder and lightning far from boring in their roles as young lovers.

Clyde Hulet, as the sheriff—really the highwayman; Robert Stagg, as the sheriff's man; Richard Friel, as the sheriff's other man; Larry Marrs, as the sheriff's third man; and Don McCullough, as Stevens, the attendant, made their roles humorous and committed only three murders—all off-stage.

"Sweet and soulful music" was rendered on the "celestial" electric organ for all performances by Pro-

fessor Kenneth E. Bird, of the music department. Miss Doris Hysler, of the physical education department, assisted in planning the "gorgeous" nineteenth century costumes for the production.

The excellent mountings, make-up, properties—both standings and personal, lighting, and costumes were executed by the stagecraft class including Clyde Hulet, Norma Jean Duffy, Ivan F. Magoon, Jean Richardson, Miles Studker, Richard Oakerson, and Rosa Lea Elvins.

Heartiest congratulations are in order for Dr. Ralph E. Fulsom, chairman of the drama and speech department, who directed the play. Perhaps the audience enjoyed "The Tavern" especially because of the unusually good student acting.

Opportunity Knocks . . .

Girl! Here is your golden opportunity. No longer must you sit beside the telephone, chewing your fingernails and praying for him to call. For one glorious week you are mistress of the situation. From November 30 until December 4, you may disregard the code of tradition and call him.

Sadie Hawkins week has become first cousin to Leap Year and the tables are reversed. Of course, along with the advantage of being enabled to command the asking, comes the disadvantage of being responsible for the pocket book. But that's really not such a drawback if you can fulfill your heart's desire and obtain even just one date with HIM, the light of your life.

So girls, wake up and start looking around. What better way to spend your Thanksgiving vacation than meditating over who should be called?

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Notices of Grades To Go to Advisers

R. P. Foster, registrar, reports that a program has been undertaken whereby faculty advisers will be notified about students who receive grades of C or U at mid-semester. The advisers will then schedule conferences with those students in an effort to help them improve their scholastic standing.

Mr. Foster also wishes to remind students about the negative credit ruling which will be in effect for the Thanksgiving recess. One negative semester hour credit will be assessed for each day or fraction thereof for absence from class on the day preceding or following the holiday. The recess begins on Wednesday at 4:00 p.m., and ends on Monday at 8:00 a.m.

THE STROLLER

The Stroller is taking for granted that everyone is ready for turkey and dressing tomorrow, and the four days of vacation.

Saturday night was really buzzing—with the Ag Club Barn Warmin' and the TKE formal.

Last Wednesday's assembly proved to be most entertaining for the students of NWMSC. Congratulations to the cast, to Mr. Fulsom, and any others involved. They all did a great job!

Full skirts whirled and blue jeans hustled at the square dance which was held in the union lounge a week ago Saturday night. Looked like everyone was having a good time.

New paint and furnishings are very much in evidence in the lobby of the TKE quad. The fellows in that quad will be enjoying cold cokes from now on too. A new machine has been installed.

Before the next issue of the Missouriian appears, Carole Kay Trotter will have had quite a thrill at Missouri University. She is to be serenaded at the Orchid Ball which Tom Utz's fraternity will hold the first weekend after Thanksgiving.

Mr. Dieterich Gives Address at King City

Mr. H. R. Dieterich, principal of the College laboratory high school, addressed a football meeting at King City high school Tuesday, November 10. "The Place of Athletics in the High School Program" was the title of his address.

More Babies—In Vets' Wings

This time a future Bearcat sparks the news. Jerry and Nancy Dancer are the proud parents of a baby boy, Jerry Jr., who weighed in at seven pounds, two ounces. The handsome little fellow arrived Tuesday, November 17, at 11:00 a.m., at the Sisters hospital in St. Joseph.

Workers who have been installing the new clothes lines are due for a good round of applause. Things look brighter now that the lines aren't sagging in despair.

Anybody notice that lonesome look which Elaine Bullock had a few days ago? It might have been more than a lonesome look had she known that her husband with two other men would have been traveling all the way to New York in a bus with 25 women. "Wow! What a set-up!" Terry says.

Reading Notes From the Red Coats

No one can imagine how pleased and excited 47 young ladies, Alpha Sigma Alpha pledges and actives, were when it was announced that they had won the supremacy cup again this year. All hope had been given up for it.

Alphas are making big plans in order to replenish funds depleted by Homecoming. The ideas range from chili suppers and dances to teas, raffles, work days, and rummage sales. Busy Alphas.

Naughty little pledges who skipped out on pledge court could be seen doing their penance last Thursday and Friday. Couldn't call them "Goody-two-shoes," could you?

Alpha pledges have elected the officers who will lead them through the trials of pledgship. They are Nancy Menefee, president; Shirley Motsinger, vice-president; Jo Ann Williams, secretary; and Nancy Rainey, treasurer.

Miss Harriet Williams, first grade teacher at Horace Mann, presented her ideas as seen from the classroom teacher's point of view. Miss Ruth Miller presented actual music as examples for the different age levels of five to eight years.

All the girls participated in the roles of the children. In this way they could see how natural it is for children to react to music and how music can be used to release tensions.

'Cat Cage Team Opens Season Dec. 1

Faces Strong Alumni Team in First Test Of Season, Tuesday

Coach Dale Kessinger's varsity basketball team get their initial test of the season next Tuesday night, December 1, when they meet a strong Alumni team in an "M" Club sponsored game.

With only five lettermen back from last year's mediocre team returning Kessinger is faced with a tremendous rebuilding job.

The five letter men, John Garner, Maurice Ingram, Eddie, Hightree, Bill Baldwin and Ono Monachino are expected to carry most of the hopes for a successful campaign.

Two newcomers, Daryl Flint and Dave Culver are expected to help the cause immeasurably with Flint providing much of the scoring punch and Culver plenty of rebounding and all around floor play.

Two squadmen from last year's crew, Jim Swaney and Weldon Dowden also figure in Kessinger's plans.

Others slated to see action in the opening contest include, Doug Swearingen, Paul Clark, Gus Fasone, Jim Rohlk, Mike Hutcheon and Ross Scott. All with the exception of Rohlk and Scott are freshmen.

Football coach Ryland Milner will be in charge of the Alumni unit that will feature some of Maryville's top ball players in recent years. Slated to appear are Al Henningsen and Pete Younger, all conference stars in '49, Kurby Lyle and George Nathan, all conference nominees in '51, Jim Tanner a 6-6 forward who lettered four years, Roger Grunwald, '52 letterman, Paul Butherus and Gene Ceglenski both letter winners in '48, Jon Wohlford, '49 letterman and Sam Ingels and Larry Belt both lettermen.

Alpha Sigma Alpha and Sigma Sigma Sororities are slated for a 7 o'clock preliminary game with the main event scheduled for 8 p. m.

Admission is 50c for adults and 25c for Students.

Intramural Sidelights

Action in both the Green and White Intramural basketball league has been fast and furious as league play started Monday, November 16.

Two teams, the Westerners and All States, have been picked as favorites to cop the title in their leagues.

Main opposition is expected to come from the Northerners and Easterners.

Cat's Drop 37-26 Decision to 'Dogs

Kirkville's Bulldogs ended the Maryville football season on a sad note by scoring a thrilling 37-26 decision over the Bearcats at Kirkville November 7.

Coach Ryland Milner's team jumped into an early 14-0 advantage only to have the Bulldogs tally in the closing minutes of the half to trail 14-6 at the intermission mark.

Kirkville really poured on the coal in the third period when they grabbed 20 points to take a 26-14 lead going into the fourth and final quarter.

With Ron O'Dell sparking the attack the Cats fought back to tie the game at 26-26 before the 'Dogs punched over two touchdowns in the closing minutes.

Seniors, Carl Leffingwell, Bob Dillon, Stan Ogden, Bob Kariger, Bill Norton, Don Black, Howard Davenport and Don Palmer wound up their college careers by playing a fine contest.

The defeat dropped the Bearcats into a third place finish behind Kirkville and Springfield in MIAA Standings.

Random Shots . . .

Congratulations to Ernie Hutchings, Bill Baldwin and Jim Gillett on their selection as Captains of the '54 Bearcat football team . . . a deserving threesome that provided plenty of good football during the recently concluded season . . .

With football out of the limelight thoughts are turning toward the hardwood where Dale Kessinger is readying his second Bearcat team for a rugged 21 game schedule . . . the Cat cagers with only one senior, Maurice Ingram, on the squad appear to be a year away from championship potentials but might throw some scares into MIAA conference members before the season is over . . .

Look for Daryl Flint, 6-3 post man from Martinsville, to be one of the leading scorers in the conf . . . Flint, has a wide assortment of shots and needs only work on defense to become a standout.
